Mike,

I just had minor edits. Please just check formatting before sending to Betsy. Plus it needs a title and the content of Appendix B is missing...

Hi Kathryn,

Attached is the draft summarized comments and responses for your review. I did flag the response to one comment, which addresses the unmeasured concentration issue....looking at that now.

Please let me know if you need any additional information for your review.

Did you get any feedback from Betsy S. regarding who we need to brief before the document is signed?

Thanks!

Mike
